LIQUORS, CIGARS.

Come to the Fair.

Hurrah for the Fair, the old farmer shouts
As Dobbin is driven up close to the door,
And I gayly, with Sally, am seated
All ready and with time from the old farmers stock.

Then come to the Fair let us see what you have,
We've a welcome for all, maid, matron and sire,
Bring your horses and daughters your oxen and sons,
Our motto is "forward" and forward means higher.

And then to our city, the pride of the West,
Unrivaled in the sights and notions so rare,
You will want a day for again, best to your taste,
And add to the interest you feel in the Fair

Then don't a trial to point out the place,
Our Cigars are selected with excellent care
Then remember our store with its "native" in front,
And glance at our cart when you visit the Fair

Two Weeks to Election.

On Tuesday, the 4th of November, just a fortnight from to-day, the People of the United States are to choose a President and Vice President for the ensuing four years. The magnitude of the issues involved lends unusual interest to the contest, and the doubt which hangs over the result is well calculated to stimulate the opposing parties to unwonted efforts. There are three *prominent* candidates in the field, representing severally the Republican, the Democratic and the Know Nothing parties, but the struggle is practically between the first two. It is between JOHN C. FREMONT and JAMES BUCHANAN, and the principles and policy which they respectively represent, that the People are to make their election. Mr. BUCHANAN is the candidate of the Slavery-extension party, the party which repealed the Missouri Compromise line, and laid open Kansas to the ruthless raid of Slavery; of the party which has aided, abetted and defended the murder, rapine and incendiarism which has made that fair land desolate; of the party which elected, sustained and still upholds and endorses FRANKLIN PIERCE; of the party which through its spokesmen, Gov. WISE, Senator MASON and Representatives KEITT and BROOKS, threatens to *dissolve the Union*, if the People should dare to elect FREMONT; of the party, which punishes freedom of thought, word, or act, at the South with banishment, and freedom of speech in the Senate, with *the bludgeon*; of the party, which holds that "*capital should own* LABOR *and not hire it*;" that "Free Society at the North is a failure;" that it is made up of "*greasy mechanics, filthy operators, small-pated farmers*" "unfit for the society of well-bred gentlemen;" of the party, in short, which would *extend* SLAVERY, *degrade* FREE LABOR, build up a Southern aristocracy, wrest the Constitution from its legitimate functions and make this glorious Republic a bye word and reproach throughout the civilized world. Will the American People vote for the nominee and representative of *such* principles?

JOHN C. FREMONT, on the other hand, is the candidate of the party which holds that FREEDOM is national, SLAVERY sectional; which concedes to the Southern States exclusive jurisdiction over their domestic concerns, but claims the right to SPEAK and act when the South undertakes to fasten its "peculiar institution" upon the common territory of the Republic; which opposed and denounces the *Kansas-Nebraska act* and the authors and endorsers of that iniquity, and demands that Kansas shall be admitted into the Union as a FREE STATE; which stands up for the rights and dignity of FREE LABOR, the interests of the great North West, and the honor and welfare of the whole country; which clings to the Constitution, as the charter of our liberties, and to the Union, as the ark of our safety; which adopts the time-honored faith and abides by the ancient landmarks of WASHINGTON, JEFFERSON, MADISON, FRANKLIN and the other sages and heroes of the Revolutionary times, and which believes with them that this Government was framed and ought to be conducted, "*to establish justice, insure domestic tranquillity, provide for the common defence, promote the general welfare and secure the blessings of* LIBERTY *to ourselves and our posterity.*" Such are the principles which FREMONT represents.

Between these two, JOHN C. FREMONT and JAMES BUCHANAN, can any lover of Justice, Freedom and Humanity hesitate which to choose? Shall Wisconsin give a doubtful, or divided vote on such a question? Will the Free Electors of this State doom their brethren in Kansas to the curse of Slavery, by voting for JAMES BUCHANAN? Or will they strengthen the hands of the Slave Power, already formidable, exacting and unscrupulous, by sending Representatives to Washington who will take sides against Freedom and the North? These are the issues to be tried and decided *two weeks from to-day.*

There ought to be no doubt as to the vote of this State, and with *ordinary* efforts and precautions there can be none. The popular pulse of Wisconsin beats true to Liberty and Right.—An unquestioned *majority* of the legal voters of the State are for FREEDOM and FREMONT. Let it be our care, then, to see that this vote is made *efficient.* Friends of the Good Cause in every County of the State! We appeal to you now, on the eve of the eventful day of battle, to *make ready for the fight.* Spare no effort, omit no precaution that will help to win the day.—Guard the Ballot-boxes vigilantly and resolutely against FRAUD. See that none but QUALIFIED ELECTORS take part in the contest. Be sure that EVERY VOTE is polled. Look to the CANVASS after the polls are closed. Be active, undiring, vigilant, united and determined, and VICTORY IS OURS!

CANVASS.

Keep at Work!—Two Weeks Only are Left!

Only two weeks remain for work, before the day of election. They should be diligently employed by every friend of Freedom and the true interests of the country, in doing whatever work remains to be done.

KEEP AT WORK! therefore. Let not a day be lost. If it is possible, let not a vote be lost for the want of active and thorough canvassing—the work be done in the School Districts, in the Dwellings, in the Workshops of the People.—Carry information as to the true issue everywhere home to the voters!

Remember that the success or defeat of the Republican cause *may* depend on the vote of Wisconsin. Let the Republicans of this state act and work as if the result in this state depended on *one vote* in their own particular districts, and all may be well.

Let them remember that the U. S. Senator next winter may depend on the vote of the State Senator or Assemblyman from any one district. Such things have been.

ONE VOTE in the U. S. Senate annexed Texas! ONE VOTE in the Indiana Legislature elected Mr. Hannegan to the U. S. Senate; and ONE VOTE in an Assembly district elected the man who voted for Hannegan.

Do our friends realize how much depends upon the return of *three* Republican Congressmen from the state? There ought not to be a doubt of the election of POTTER, WASHBURNE, and BILLINGHURST. True and tried friends of Freedom all three, the people must decide between them and Hadley, Crawford, and Hobart, whose every vote in Congress would be with the slave power and against Freedom.

WORK! KEEP WORKING! CANVASS! KEEP CANVASSING!

Senatorial and Assembly Dist ict Conventions.

We publish this morning calls for these Conventions, which, for want of proper committees, have been made up in consultation with several of the friends of the Republican cause. We trust that, at the Conventions, efficient committees will be chosen, and their names published, so that hereafter there may be no difficulty of the kind occurring. Will some friends in the districts where the places are left *blank*, enable us to fill them with some convenient place of meeting.

There is no County Convention called, and we doubt the expediency of calling one, but if any considerable number think otherwise, a Convention may still be called, and delegates be chosen, if the people choose, at the district and ward conventions now called.

More Arrests in Kansas.

It will be seen from the brief letter in this morning's paper from Professor DANIELS, that the last party of Wisconsin Emigrants to Kansas were arrested, immediately on their arrival in that territory, and are now held as p isoners of war. Having committed no offence whatever against any law of the land, and going to Kansas with the intention of *becoming bona fide* settlers and good citizens there, the arrest of these men is an utterly unwarranted and indefensible abuse of power, and only furnishes another proof of the entire subserviency of the Federal authorities to the plans and purposes of the Slavery propaganda. While honest, industrious and peaceable Free State settlers are thus harassed, arrested, plundered and thrown into prison, without cause or complaint, not the first Pro-Slavery man has yet been put in confinement, and "Border Ruffianism" *continues* as rampant and defiant as ever. There is neither hope, nor help for Kansas, save in the election of FREMONT. MEN OF WISCONSIN! Do *your* part to right her wrongs and save her from Slavery.

Buchanan Sentiments.

MR. BROOKS, the ruffianly assailant of Senator SUMNER, in his speech at Ninety-Six, thus delivered *himself:*

"I tell you, fellow citizens, from the bottom of my heart, that the only mode which I think available for meeting it *is just to tear the Constitution of the United States, trample it under foot, and form a Southern Confederacy, every State of which will be a slaveholding State.*"—[Loud and prolonged cheers.]

"Now, fellow citizens, I have told you very frankly and undisguisedly that I believe *the only hope of the South is in dissolving the bonds which connect us with the Government—in separating the living body from the dead carcass.*"

MR. BROOKS is a Buchanier of the "first water," and is as false to the Constitution and the Union, as he is loyal to Slavery and the South.

WHOLESALE FRAUDS IN PHILADELPHIA.—The $150,000 corruption fund raised by the Buchanier leaders to carry Pennsylvania, the addition of 14,000 extra names to the Assessment Rolls in Philadelphia, and the importation of large gangs of ruffians from Baltimore and New York, told sensibly upon the vote of Philadelphia city. We annex a statement of the votes cast there at the last six contested elections:

	Dem.	Opp.	Total.
1848—(President)	21,598	22,196	43,614
1852—(Presidential)	25,072	35,847	60,919
1853—(Governor)	24,986	25,879	50,815
1855—(Canal Com.)	25,254	26,944	52,324
1856—(Mayor)	29,534	35,725	65,259
1856—(Canal Com.)	34,644	31,932	66,476

It will be seen that the vote of the city has been swollen *eleven thousand, two hundred and seventeen* since May last. There can be no manner of doubt that thousands of illegal votes were polled to effect this result.

MILWAUKEE AND HORICON R. R.—The Plover *Herald* gives the following good news in relation to the extension of this road into the pineries:

Mr. EDEN, on his return from the upper Wisconsin, dropped *into our sanctum, yesterday*—He says the utmost enthusiasm prevails at Wausau, respecting the prospects of the road. His subscription list has already reached over $40,000, and some of the citizens have even projected to grade the road, on their own account, from Wausau to Stevens Point. There was a meeting held, in which the prospects, feasibility, &c., of the road were duly considered.

MORE HELP FOR KANSAS.—We acknowledge the receipt of a draft for $100, being the proceeds of a Kansas Donation Dinner, given by the Ladies of Nepouskin, Winnebago County, on the 30th of September, together with a letter from the Secretary of the Society, giving a graphic account of the proceedings. We will dispose of the draft as requested in the letter, and will try to find room for the account of the festival.

MARATHON AND PORTAGE.—The Republicans of Marathon and Portage counties have nominated for the Assembly ANSON ROOD of Stevens Pt.—The Plover *Herald* says of him:

Anson Rood, the nominee for Assemblyman, is a true Republican, an energetic and untiring worker; he is one from whom, in case of his election, we look for an impartial representation of the *interests of the respective counties* that comprise this Assembly District.

GOOD NOMINATION.—The Republicans of the Assembly District in Waukesha County, comprising the towns of Mukwonago, Eagle, Ottawa and Genesee, have nominated THOMAS SUDDEN as their candidate for the Legislature. The nomination is an excellent one and ought to command the warmest support of all true friends of FREEDOM and FREMONT.

NOMINATION.—We learn that the Republicans of the Summit, Waukesha Co., district, have nominated for the Assembly JAMES M. LEWIS,—an excellent nomination. He will be chosen by a large majority.

COLOGNE, June 25, 1856.

The business of a *concierge* in France, particularly in all great cities, is almost as much of a distinct calling as a cobbler or a tinker with us. They are generally poor people who fall back upon this employment, especially so if the location is poor. Sometimes it is an old man, sometimes an old woman, frequently both, and again often a girl. In some of the fashionable quarters of the city it b comes quite a place of trust and there it pays well, consequently securing the services of those of the more respectable classes. The duties of the *concierge* legitimately are to see who comes in and who goes out, to give and take the keys of the lodgers as they are wanted; to carry messages to their rooms, and many other little offices of the kind. They usually have a little cubby hole, called a lodge, near the hall door. They of course are booked up in reference to every inmate of the house, for their minds must be occupied by *something*, and each one's personal history, with their prospects, hopes and fears, all seem to belong to the *concierge*.—Ours was quite a young lady, with a thin face and small, twinkling black eyes. One evening, taking my key from her to go to my room, I said to her that the old Scotch major had a charming pretty daughter. After enjoying a hearty laugh she told me that it was not his daughter, but his wife! True enough, a few days afterwards they quarrelled like cats and dogs. She was seventeen and he seventy—*June and January together.* He was old and rich, she young, poor and pretty. They never at once thought that,

"Grabbed age and youth
Cannot live together;
Youth is full of pleasure,
Age is full of care;
Youth like summer warm,
Age like winter weather!"

I stopped a few days longer than I should in order to attend the great fete day of the christening of the young prince. It is too late now to more than allude to it as being one of rare magnificence and splendor. The fireworks and illuminations seemed to exceed all description. The last day, being on the sabbath, was made a great holiday. Every theatre in the city was open, and free to the laborer as well as the high. But the eighty theatres were not enough, temporary ones were built up expressly for the purpose on the parks in different parts of the city, and in which there were day performances. Three hundred smaller and one large balloon of immense size, all freighted with *bon-bons*, were sent up for the benefit of the populace. There were also erected four poles about sixty feet high each, which are greased from the top to the bottom. On the top there are hung various presents or rewards for all those who have the nerve and muscle to climb to them. They are privileged to take sand along with them. After a great deal of puffing and struggling the prizes are generally won by those that go up fresh, after others have worked the grease all off. It affords great amusement to the people and is one of the popular sports.

After taking a last look of the Rue Rivoli, the gardens of the Tuilleries, the Place de la Concorde, and the Champs Elysees, bright and early one morning I jumped into a cab and was driven to the Strasburg station. Two days and a night's riding on the cars, inclusive of a short halt, brought me to the Rhine at a city called Mayence. Half asleep I ascended to some gardens that lie at the west of the town and had a most beautiful view of a portion of the Rhine valley, and even so stupid as I felt from want of rest, I never enjoyed a more pleasant prospect. This is a very ancient city and was founded by the Roman General called Drusus Germanicus. It is the capitol of a little German State called Hesse Darmstadt. Although probably there is not a more law-loving and peaceable people in the world, yet the city swarms with soldiers.—It being a frontier town, Austria and Prussia each furnish a quota of five thousand soldiers, making in all ten thousand, in order, as is understood, to prevent any feeling or demonstration in favor of French interest. If France had an equal number to watch them, it would illustrate practically and theoretically the custom which exists here on the continent, of withdrawing from profitable labor and taxing the people with their support, hosts of soldiers for the only purpose of watching each other. This great fundamental error and wrong meets the traveller wherever he goes in civilized Europe; but *the moment he sets his* foot in a semi-barbarian country, the same does not exist, for strange as it may appear, they rely upon their own internal resources which are generally adequate to any amount of external danger. If Europe, like America, would only yield to the reasonable requests of the people in the great reforms of government which they ask, and disband her standing armies, a few generations more, and many of the confederacies would become what Italy and Greece once were, and what the United States now are, a great, powerful and happy people. But there is no prospect of such a change with the present crowned heads, burthened by the exactions of knights and lordly barons who lived in their feudal castles and were supported by their armed retainers. Commerce suffered the most from these classes of men who then ruled the land, by the force of their arms. It was through the talent and influence of Walpolden that led first all the Rhenish cities to confederate together for mutual protection in order to free themselves and the country from these knightly highway men; and afterwards the way was paved for the establishment of the celebrated Hanseatic league, that soon after was the means of pouring into Germany the commerce of nearly all the world.

But if this was a great name, the latter, that of John Gensfleisch, generally called Guttenberg, was far greater, for he was the inventor of the art of printing—"an art preservative of all arts." Opposite the theatre stands a bronze statue to his memory, which was modelled by Thorwalsden, and erected 1837. This was a period of nearly five hundred years after his birth. But it illustrates how slow mankind is to acknowledge the worth of true benefactors to their country.

"The evil that men do lives afterthem,
The good is oft interred with their bones."

Between the city of Mayence and that of Cologne, there is but *one series of short turnings* in the Rhine, exhibiting at each turn a succession of towns and villages, hills, slopes and mountains, little fairy islands, rocky crags and ruined castles, palaces, villas, gardens, vineyards and terraces—all contributing together to produce most beautiful and unrivalled scenery. It was a most lovely day that our boat glided down through this beautiful panorama, and years will pass before the ever changing *tableaux* it presented will be effaced from my memory. Of the old castles very many of them, particularly those upon almost inaccessible heights, stand now in ruins, the same as on the Danube, and in many other parts of Germany, while others have been repaired or rather restored, the same as they were built when new. All of them as well as many of the mountains and islands have traditionary legends connected with them which would be interesting if I had room for them. But these letters, like my journey, are drawing to a close, and I shall only refer hereafter to the most salient points of such places and objects that come under my observation. F.

The Next Legislature.

We give below the nominations thus far made by both parties for the next Legislature, and in doing so we urge upon our Republican friends the importance of nominating their best men, where it yet remains to be done, and of giving them a cordial, united support. *Remember that the election of a U. S. Senator* depends upon the next Legislature.

FROM KANSAS.

The Wisconsin Emigrants Arrested and Disarmed.

CAMP PLYMOUTH, Oct. 11.

MESSRS. *EDITORS:*—The *Wisconsin* Kansas Emigrants under my charge were pursuing their way quietly this morning in company with several other parties, when they were suddenly arrested by a detachment of U. S. Dragoons, Col. Cook Commandant, when about 6 miles South of the Kansas line. They were then subjected to a rigid search, and some 300 stand of arms taken from the wagons.

The whole train was then taken prisoners, and we are now so held. The Wisconsin party lost no arms except 2 fine Sharpe's rifles, wrenched from the hands of Paul Miller, of Columbus, and Carmi Vaughn of Waupaca. It is a miserable rainy day, and to be kept 3 hours standing in the rain, and our goods overhauled in this manner, is not eminently calculated to make us amiable. We are just sending away a messenger with letters and a formal statement of our treatment, which you will receive regularly.

Most of our valuable arms were sent forward, and the others we shall doubtless recover when we get our liberty. We shall be sent to Lecompton to-morrow. The boys are all well and in good spirits. Their merry laugh rings out around the Camp fires, where they stand in the rain, cracking jokes at the Marshal and his posse. It is but just to say that many of the officers and troops expressed their disapprobation of the work they were compelled to do, in the warmest terms.

Two-thirds of the men are heartily with us.—The Wisconsin boys acquitted themselves well, clinging to everything, and protesting to the last.

The practical loss is nothing, but the ruthless violation of our sacred Constitutional rights, is an outrage which justifies the gravest action. It is the first case of disarming a body of Emigrants by U. S. troops in Kansas. Gov. Geary was visited by one of our number in our behalf, was informed that we were armed, and sent us a letter of welcome, which we presented.

Our arms were only such as we needed for protection. They were taken and we are prisoners to-night.

We have no candles, and I write by our campfire. You shall hear soon of our release.

Yours truly,
EDWARD DANIELS.

Pennsylvania now and Heretofore.

As a good standard by which to test the vote just given by Pennsylvania, we copy the following from the N. Y. *Tribune*, of Friday last—The analysis of previous elections and the vital importance o the issues now pending, all warrant the confident belief that Pennsylvania will on the 4th of Novembe, declare for FREEDOM and FREMONT

From the N. Y. Tribune.

In 1836, the so-called Democratic party carried Pennsylvania at the October State Election by a large majority. In the Presidential Election which followed, the Whigs, with scarcely a hope of success, reduced that majority to a very low figure, as follows:

Harrison	87,111	Van Buren 91,475
Van Buren's majority		4,364

In 1840, when the tide set so strongly in favor of Gen. Harrison, it was again carried for what was called *Democracy* at the State Election—the total vote for Congress standing:

Harrison	125,902	Van Buren 130,551
Van Buren's majority		4,649

And yet, at the Presidential Election which speedily followed, the State went for Gen. Harrison by the following vote:

Harrison	144,021	Van Buren 143,672
Harrison's majority		349

In 1844, it was carried for "Polk, Dallas, and the Tariff of '42," at both the State and Presidential Elections.

In 1848, at the State Election, it went as follows:

For Taylor;		*For Cass:*	
Governor, Johnston,	168,523	Longstreth,	168,221
Com. Middleswarth,	164,284	Gamble,	166,930
Johnston's maj.	302.	Gamble's maj.	2,836.

Yet at the Presidential Election, directly after, the vote stood:

Taylor,	185,730
Cass,	172,186
Van Buren,	11,177
Gen. Taylor over Gen. Cass,	13,544

In 1852, it went for sham Democracy at both Elections, though Gen. Scott received more votes in November than were cast for the Democratic State ticket—as follows:

Whig.		*Dem.*	
Oct. Hoffman,	151,800	Hopkins,	171,548
Nov. Gen. Scott,	179,122	Gen. Pierce,	198,568
Maj. October,	19,948	November,	19,448

Thus the Whigs, after success had become hopeless, not only polled votes enough to beat the vote of the sham Democracy in October, but actually reduced their majority.

Such are the facts with regard to past Elections in Pennsylvania on Presidential years. We do not say that they insure us victory in the Presidential contest now before us, but that they render it attainable. If the distinct issue of Slavery Extension or Restriction can be presented so the People and made the basis of their decision three weeks hence, the right result is certain.

Destructive Fires at Chicago.

We mentioned briefly yesterday the burning of Hough & Co's. large packing house at Chicago. It took fire about 2 A. M. Saturday from the Propeller *Falcon*, and, with the propellor, was totally destroyed. The Democratic *Press* of yesterday thus states the loss:

Propellor Falcon	$ 25,000
Cargo	10,000
Packing House and contents	75,000
Total	$110,000

The insurance in gross foots up as follows:

On buildings	$32,000
Provisions, &c	25,000
Total	$50,000

The propellor was not insured. She belonged to the Western Transportation Company.

During the same night, Rosenbaum's Fancy Goods store, Sawyer's Seminary, Dr. Clark's Drug Store and several other buildings on South Water Street, and the Pennsylvania House, Limerick House and Dunkirk House, on Van Buren Street, were also destroyed by fire. In the Pennsylvania House, a traveller, a German from Milwaukee name unknown, perished in the flames.

As to the first fire the *Press* says:

The Falcon had on 8,000 bushels of wheat, owned by Walker, Bronson & Co., fully insured in the Chicago Mutual; 4000 barrels of beef from Craigie's, and about 400 hides belonging to Messrs. Burrell Brothers.

Messrs. Hough & Co., are insured to such an amount that their *loss* will not be felt except in the interruption to their business in the most important part of the season. Their insurance is divided as follows:

Ætna	$10,000
Phœnix	4,000
Northwestern	5,000
Chicago Mutual	5,000
Hartford	5,000
Garden City	3,000
Total	$32,000

Of the provisions in the building, a large amount belonged to other parties. Watson, Tower & Co., held a portion for other parties. Messrs. Hawkins & Co., of Albany are heavy losers, without insurance. A part of the 50,000 bushels of foreign salt in the building will be saved. The dock is burned to the water's edge. The walls of the building have not all fallen but are completely useless.

Democratic County Convention.

This Convention met yesterday at the Court House, and nominated candidates for county officers.

HERMAN L. PAGE received the unanimous nomination of the Convention on the 1st ballot—a compliment well deserved, as Mr. Page, when in office before, earned a high reputation as an able, faithful and vigilant officer.

For Clerk of the Courts, the present incumbent, MATTHEW KEENAN—and there is no better clerk anywhere—received 37 votes to 5 for C. Mahony, and was nominated.

For Register, four ballots were taken, as follows:

1st—A. Bade 10, Liebhaber 8, Waegli 13, Johnston 10, Laidlaw 2.
2d—Bade 10, Johnston 2, Waegli 14.
3d—" 21, " 6, " 15.
4th—" 22, " 0, " 20.

Albert Bade nominated.

For County Treasurer, five ballots were taken:

1st—C. P. Everts 8, W. Wedemeyer 4, D. Knab 6, T. Carney 9, T. O'Brien 4, G. M. Fitzgerald 2, Blank 5.
2d—Everts 7, Wedemeyer 4, Carney 4, O'Brien 5, Knab 7, Fitzgerald 14, P. Kelly 1.
3d—Everts 6, Wedemeyer 1, Carney 10, Knab 8, Fitzgerald 17.
4th—Everts 6, Carney 7, Knab 9, Fitzgerald 19, Blank 1
5th—Everts 4, Wedemeyer 1, Carney 5, Knab 8, Fitzgerald 23.

G. M. FITZGERALD nominated for re-election.

JAS. A. HALLORY, for Dist. Att'y; C. F. KASTEN, for Clerk of Board of Supervisors; JOHN GREGORY, for Surveyor; ROBERT WASSON, for Coroner, were nominated without balloting.

THE VOTE OF CINCINNATI.—The *News* of Thursday, in an effort to explain away the Republican gain of over five thousand votes in Cincinnati, made the following assertion:

Cincinnati is in Hamilton county, and that county last year gave Chase, Rep., 4,516, Medill, Democrat, 12,226, and Trimble, K. N., 6,538.—The fusion ticket in order to hold their own should have gained 1,500 on Chase's vote, but instead of that they have gained only 4,000 which amounts to a loss of 2,000 to them and a gain to the Democrats of 2,000.

This was a deliberate fabrication. The vote of Hamilton County, for Governor last year and for Congress this year, compares as follows:

1855.		1856.	
Chase (Rep.)	4,516	Republican,	7,510
Trimble (K. N.)	6,538	Know Nothing,	5,499
Medill (Dem.)	12,226	Democrat,	10,385

It will be seen that there was no "fusion," each party running a separate ticket, and that while the Buchanier and Know Nothing vote fell off nearly *three thousand*, the Republican vote increased 2,994. Of course, we have not the slightest idea that the *News* will correct its false statement.

Brooks and Keitt Re-elected.

A dispatch from Columbia, S. C., this morning, says that Lawrence M. Keitt from the Third, and Preston S. Brooks from the Fourth, districts, are re-elected to Congress.

Both these gentlemen are by their own confession *di unionists and traitors.—N. Y. Mirror*, Oct. 13.

Even so! They are, also, BUCHANAN DEMOCRATS. Messrs. BROOKS and KEITT are content to remain in the Union, if they can extend Slavery at their pleasure, but otherwise they propose to "step out." We move that they have leave to go.

PRAIRIE DU CHIEN ITEMS.—The Crawford Co. *Courier* gives us the following items concerning doings at Prairie du Chien:

It is a goodly sight to witness the two and four horse Post Coaches that arrive and depart daily for the different points, all of them carrying a full load. Since the Wis. Stage Co. have started their daily line to and from Muscoda, the present terminus of the Rail Road, there is increased business among our hotels, and greater activity among the business men generally.

The new Banking house of Menzies & Co. is shortly to be opened in the brick block nearly completed in front of our office.

The Steam Pile Driver is hard at work, hammering down the piles for the extension depot warehouse of the Mil. & Miss. R. R. Co., at Lower Town, and the heavy stone foundation is nearly completed. The work on the Round House is progressing rapidly.

STILL ANOTHER FROM MICHIGAN.—The Mackinaw District has elected Wendell, Democrat, to the Michigan Legislature by 250 majority over his Fremont competitor.—*Oshkosh Courier.*

"Bosh!" There was no Fremont man running—the question was a Railroad one altogether.

Election Frauds in Philadelphia.

Philadelphia, Oct. 16.

An astounding system of fraud on the part of the Democrats in the election yesterday has been discovered; the details will soon be made public, and they will show that the Democratic party has covered itself with lasting infamy by its shameful course.

Excitement in Portsmouth, Va.

NORFOLK, Oct. 16.

Great excitement was raised in Portsmouth, Va., on Monday, by the raising of a Fremont pole and banner, and the military had to be called out to preserve the peace. The Mayor, the day following, convened the Council, when an order was passed to cut the pole down, which was accordingly done. The raising of the pole is said to have been a burlesque.

MARRIED.

On 2d inst., by Rev. S. G. Spees, Mr. JOHN MORRIS, to Miss SARAH JANE VANCE, both of Hacketts Harbor, New York.

By the same, on 20 inst., Mr. JAMES McGREGOR, of Beaver Dam, Wis., to Miss REBECCA HESS, of Boston, Mass.

DIED.

MARINE INTELLIGENCE.

COLLISION ON THE LAKE, AND SINKING OF A VESSEL.—The brig *Nebraska*, bound to Chicago with a load of brick, was run into on Sunday night by the propeller *Oriental*. She was put about at once for this port, and had got well within the bay, when she sank not far from where the *Sabastopol* was wrecked last fall, where she now lies with 6 feet of water above her deck. We get no further particulars. No lives lost.

ST. CLAIR FLATS.—It is said that there is a large crowd of vessels at the St. Clair Flats. The water is very low. The propeller Manhattan arrived at Cleveland day before yesterday, having worked her way over with only 5 feet of water. The weather during the season has been dry, and seems to have affected the lakes. We have noticed during the past few weeks, that the water in our harbor has generally been much below the average mark.—*Buff. Com. Adv. Oct. 19.*

THE NORTH WESTERN BAND.—A Manitowoc correspondent of the *Wisconsin*, in an account of the late Fremont Mass Meeting in that place, speaks as follows of the fine Band which went down from this city

"An appropriate serenade was given to each one of the 13 ladies, at midnight, by the N W Band of Milwaukee, accompanied by the young and gallant of the city. The night was pleasant, clear, and beautiful, which enabled the fair ones to appreciate the sweet music The N W Band was dressed in the beautiful uniform of the Light Guard. They are a splendid band, and are destined to be the first in the West They were hired by the Fremonters of this city, and as soon as they arrived here in the morning, the Buchanters, who were trying to get up a show in opposition to the Fremonters offered this band $5 apiece more than what they were to have Their noble answer was that the democrats in Milwaukee Co, had not money enough to hire them."

BURGLARY ON SUNDAY NIGHT.—A small watch maker's shop on West Water Street was broken into and robbed of the entire contents watches, jewelry, &c, on Sunday night, between 8 and 10 o'clock The store was kept by a young man named Bernard Weishoff, who has been stripped of all he was worth The store was entered by first removing a pane of glass from the back window, next to Ludington's lumber yard, at the corner of which the store is situated. There is, we believe, no suspicion attaching to any one

WEST'S

Patent Galvanic Cement for Roofing.

THE ATTENTION of Architects, Builders, and the public generally is invited to this roofing—as being far superior to other compositions in use for like purposes In fact, we think it superior to any other Roofing, for it has more essential qualities combined required for roofing, than any other material used, viz Impervious ness to water, durability, durability and cheapness. It is Fire and Water proof, and can be applied to flat or steep roofs. In its texture and appearance it resembles slate—will not soften in the warmest weather, nor become hard and crack in the coldest—Therefore it forms a good walk on piazza's, flat roofs, car tops, steamboat decks, &c Its fire proof qualities particularly adapts it to Railroad buildings, engine shops, &c. It is especially adapted to repairing old roofs, scanning around battlements, sky-lights and chimneys, and for lining gutters, &c.

This roofing is being extens vely used in the Eastern States on the most expensive buildings Testimonials may be seen from the owners of buildings, Builders and Architects, and also examined by calling at the Store No 319

The subscribers own the right for the State of Wisconsin, and will sell territory by counties or towns, on favorable terms
